Lisa Michelle

Letter of Recommendation

I've been quite fortunate to have the opportunity to work with Lisa Michelle. Lisa's creativity and attention to detail are the hallmark of her talent. She is dedicated, organized and reliable. She goes into a project with energy and enthusiasm which continues throughout and produces an outcome that exceeds my expectations. Lisa is not only a wardrobe and prop genius, she's also a magician with hair and make-up – whether on a local assignment or an international destination as was the case on our last collaboration. What's more, Lisa is quintessentially collaborative – she listens intently, captures the meaning behind your words and contributes her ideas to enhance your vision. She's a true professional who's willing to give 150% without complaint. I find Lisa personable, easy to work with and excellent in every phase of the business. I highly recommend her.
