To Whom It May Concern:

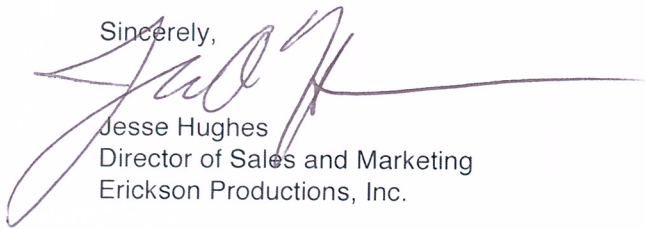

It is my pleasure to write this letter of recommendation for Lisa Michelle. I have worked with Lisa Michelle for nearly 10 years now. I run a photography and video production company, Erickson Productions Inc. founded by world-renowned director/photographer Jim Erickson. We have hired Lisa Michelle to style and help produce many of our top client's brands in photo and video productions across the world. Lisa Michelle is an A-player, always. We choose to work with her because the results are a guarantee. Lisa Michelle has true professionalism, great style, and an understanding of photo and video production that is second to none.

We have worked together on Barclays Global Investors in China, Abbvie Pharmaceuticals in Miami, and Pinnacle Entertainment in Baton Rouge to name a few. Each of these large projects had its own challenges and Lisa Michelle rose to each occasion with calm and perseverance.

Besides her fantastic professional qualities, Lisa Michelle is a good listener, a leader when she needs to be, and she has a kind heart and understanding that adds a plus to all of her relationships. This of course helps in the pre-production process and on set. Being flexible and foreseeing solutions before big problems arise make me want to continue working with her always.

I highly recommend to anyone considering hiring Lisa Michelle, to hire her. She's the teammate you want.

Sincerely,
