To whom it may concern,

I am very pleased to write this letter of recommendation for Lisa Michelle. I have worked with many wardrobe and costume designers over my 15-year television career, and she stands out among them. Lisa was the costume designer and head wardrobe for the TV campaign for the new Blackberry 10 spots. I found her easy to work with resourceful and a personable individual.

I was impressed that Lisa worked magic under a great deal of pressure from a very demanding client, including providing wardrobe fixes that were not previously discussed in meetings. In addition of her talent and personality she is a consummate team player. As a director I will want her on my side. It is one less thing I will have to worry about.

You may reach me vial E-mail at oscar@hletv.com or by phone at 786.290.4636 . I will be happy to provide any additional information.
